

The Botanical hopes to enlighten and enhance your wine experience, showing the differences between site specific wines with the same or similar winemaking philosophy, through vertical references and sub-regional examples.

With more than a passing nod to those pioneers and mavericks in the wine industry, whose commitment and understanding of their chosen vineyard site and the source of their precious fruit, gives us the perfect accompaniment to well cooked cuisine and adds a little comfort to our lives.

Gin

GIN: A SHORTISH STORY

The history of this botanical beverage has been a chequered one. First distilled in Holland in the 15th century, and called Jenever, it was used primarily as a medicinal liquid based on the 'healing' properties of Juniper. By the mid 17th century it was being used to cure all ailments ranging from kidney stones and liver issues to gout, those crazy folks from the Netherlands used it to for a dash of pep and strength of soul before battle, hence the well known "Dutch Courage"! At the same time across the Channel the then King of England William of Orange had also become a massive fan, bringing the drink to the English upper class.

Roll forward to the mid 18th century and we saw the now historical 'gin craze' period in London that brought about the 'Gin Act' of 1751 and caused rioting in the streets. It was then that this once humble little beverage truly became ingrained within our drinking society. During that time it said of the 15,000 or so drinking establishments in London at the time more than half were dedicated gin houses. See William Hogarth's famous 'Gin Lane' piece above for a snap shot of the era...

Still need more? Well, taste your way around our selection and you will find that the popularity of gin was & still is very well deserved. From artisanal newbies to archetypal stalwarts look no further for your botanical imbibement.

AUSTRALIA

With the Gin craze spreading worldwide it was never going to be long before Australia with its unique floral varieties gave this wonderful beverage a little twist of 'Down Under'. From lemon myrtle to lilly pilli, from Local Jasmine's to honeysuckles, Australia's diverse geographic has added some delightful aromatics and spices to the mix...

Beer & Cider

COLONIAL BREWING CO. (PORT MELBOURNE)

330ML / 525ML

Colonial Kölsch 4.8%

7 / 11

A German Golden ale formally known as the Spruiker's Challenge Dutch Courage Brew. Our Kölsch has delicate hop flower aromas which precede a palate of lifted lemon sorbet and herbaceous notes. So crisp and balanced that it's often mistaken for a pilsner

Colonial Pale Ale 4.4%

7 / 11

This unique and under-stated Pale Ale inspired by the wonderful 'Altbiers' of Düsseldorf is an immediately approachable medium-bodied beer, with hints of brooding plum on the nose, displaying soft, round and subtly rich, biscuit, nougat and nut malt accents on the forward palate, braced by a tangy, slightly peppery – mineral hop bite

Colonial 'Bertie' Cider 4.5%

7 / 11

Our Bertie cider is made with only Victorian Apples, which are hand picked and cold-pressed to create a crisp, delicious cider that's small on sugar but big on taste. And it's why we use the same apples we eat at home, like Red Galas and Sundowners.

GUEST TAPS

285 ML / 425 ML

Mountain Goat Fancy Pants Ale (Richmond, VIC) 5.2% 7 / 10

An evolution of the Hightail Ale, this beer has all the things we love about amber ales but with a higher malt bill. Loads of hops and dry hopped with galaxy hops. The end result is a richer, toffee like malt body with lifted spice and a hint of fruitiness.

Cricketers Arms Summer Ale (VIC) 5.2% 7 / 10

The "New World" summer ale is late hopped with Amarillo for the subtle citrus aroma, dry hopped with Nelson Sauvin for a tropical finish and balanced with a pale malt and two specialty malts to deliver a sturdy caramel backbone. Great with classic gastro pub food-Gourmet Burger to Perterhouse Steak, to crumbed veal & fillets of chicken.

4 Pines Pale Ale (Manly, NSW) 5.1% 7 / 10

American Style Pale Ale with a bright Ruby appearance. Hop-Driven aromas of citrus, pine and grapefruit overlay a mouthfeel of rounded malty flavours, setting up for a tight and bitter finish.

Mountain Goat Organic Steam Ale (Richmond, VIC) 4.5% 7 / 10

Steam beers were originally brewed at the warmer ale temperatures, aiming to deliver the best of both worlds. Mountain Goat decided to do their own spin by fermenting an ale yeast to arrive at the same place, but via a different route. The result is a crisp, seasonable beer, fresh and full of fruity and tropical characters.
